How does the interview process work at M&S?

For schools, we conduct first-round interviews through the schools' OCI platforms. For direct applications, we conduct initial round of interviews virtually. All second-round interviews are held in person at one of our participating offices. Case-by-case adjustments are considered.

The M&S Summer Associate Experience

Summer Program Overview

Miles & Stockbridge offers summer associates real-life opportunities to contribute to the kind of substantive work that would be assigned to a first or second-year associate. We strive each year to ensure that our summer associates are energized by a balance of stimulating work, educational programs and social activities, all designed to introduce our summer associates to our lawyers and practice areas.

Program Highlights

- 10-week program based on significant legal work
- Formal mentorship
- Professional development and organized training sessions
- Real client interaction
- Networking and social events across M&S offices
- Community service opportunities

Who We're Looking For

We are seeking driven and self-motivated law students with:

- Strong academic credentials
- Excellent communication and writing abilities
- A proactive and collaborative approach
